RESPONSIBLE PUBLIC POLICY & LOBBY STATEMENT

1. INTRODUCTION

Studioneves is a small-scale artisan ceramic atelier based in Portugal.

The company's activities are focused on ceramic production, sustainability, hospitality partnerships and environmental innovation.

Studioneves does not currently engage in formal lobbying activities, political campaigning or direct governmental influence activities.

The company does not employ lobbyists, political consultants or intermediary organizations for political influence purposes.

2. APPROACH TO PUBLIC POLICY & RESPONSIBLE ADVOCACY

Although Studioneves does not currently engage in formal lobbying activities, the company believes that businesses should act responsibly, ethically and transparently whenever participating in public discussions related to sustainability, environmental responsibility, hospitality, circularity or social impact.

If Studioneves participates in future public policy discussions or institutional collaborations, the company intends to support initiatives aligned with:

- environmental sustainability;
- responsible production;
- ethical business conduct;
- human dignity;
- social wellbeing;
- scientific and evidence-based approaches;
- the broader public interest.

The company does not support political influence activities that contradict its sustainability commitments or environmental values.

3. POLITICAL CONTRIBUTIONS

Studioneves does not make political donations, financial political contributions or in-kind political contributions to political parties, political campaigns or political candidates.

The company also does not provide indirect political funding through intermediary organizations for lobbying purposes.

4. ANTI-CORRUPTION & ETHICAL CONDUCT

Studioneves rejects bribery, corruption and unethical influence practices.

The company expects all employees, collaborators and business partners to act with integrity, transparency and ethical responsibility.

Any future interactions involving governmental or institutional entities are expected to follow applicable legal requirements and the company's ethical standards.

5. GOVERNANCE & RESPONSIBILITY

Responsibility for this statement and its implementation remains with the executive leadership of Studioneves.

The document may be periodically reviewed and updated whenever operationally relevant or necessary.

Any future public policy engagement undertaken by the company is expected to remain consistent with the sustainability principles and ethical commitments publicly communicated by Studioneves.

6. PUBLIC ACCESSIBILITY

This statement may be shared publicly with stakeholders, partners and certification bodies as part of Studioneves' commitment to transparency and responsible business practices.
